

FIRE DAMAGE HERE SUNDAY SET AT \$475

PARS FROM FRAME SHED
START SERIES OF MIN-
OR BLAZES

Sparks from a burning frame
shed, used as a garage, started a
series of minor blazes in a South
Main street neighborhood
afternoon causing an esti-
mated damage of \$475 to the
buildings involved.

The firemen were called to the
Laney home, 703 South
Main, at 4:45 p. m. when the
fire was discovered in flames.
The property is owned by John
Fremd, a member of the
Greencastle fire department.

Fire Chief William Lawrence
reported that this blaze resulted
in damage of \$199 to the build-
ing and \$275 to the contents.

Sparks caused damage of \$125
to the residence at
101 South Indiana owned by
C. G. Givell.

Two holes were burned in the
side of the C. E. Hammond home,
Olive street with damage of
\$10.

Two holes were also burned in
a roof of Melinda Johnson
residence at 7 Olive street, with
damage of \$10.

Origin of the fire in the shed
unknown according to Chief
Lawrence.

Cataraact Yacht Club Organized

The organization of the Cataraact
Yacht Club was completed on
Sunday with the filing of in-
corporation papers. If plans ma-
terialize, it is expected that the
club will have its facilities in op-
eration by next summer.

Arrangements have been made
by Fred W. Keuthan of Indian-
apolis for the leasing of 53 acres
of state property on the
western shore of Lake
Michigan. The land has been
procured for a club-
house, which it is hoped will be
completed by early spring. Dock
plans are being planned and
ready for use with the
opening of the boating season.

An organizational meeting
was held on Saturday and tem-
porary officers were named. Fred
Keuthan was elected com-
mittee chairman. John Fisch of Poland
and secretary and Robert H.
Hart of Greencastle will act as
treasurer. The board of direc-
tors will be composed of Warren
Keuthan and Fred W. Keuthan, Jr.
with the officers of the
Hart Yacht Club.

Mexico Is Topic At Lions Club

Members of the Putnamville
Lions Club enjoyed an unusually
good dinner meeting at their last
meeting. A delicious
dinner was enjoyed by
a large number in attendance
at the Putnamville School.

A very interesting program
was then provided by Lion Stein-
camp, Program Chairman. Prof.
Robert L. Hogue of Purdue Uni-
versity told of his several trips
to Mexico and also showed beau-
tiful slides of pictures taken
there.

It was announced that the All
County Lions Banquet would be
held at Bainbridge on October
20th, and indications were that
the Putnamville Lions would
again be well represented.

20 Years Ago HERE AND THERE

Thieves entered the Hunter
store and the Cloverdale
hardware store during the night
and escaped with several hun-
dred dollars worth of tobacco
and tools.

Dr. Truman G. Yunker was
the speaker at the high school
chapel period. He told of his
trip to Hawaii.

Mr. and Mrs. Roine Dietrich
were here from Loveland, Colo-
rado.

Paul Aubrey underwent an ap-
pendicitis operation at the Put-
nam county hospital.

Hospital Notes

Dismissed: Mrs. Charles Cooper
and daughter, Stilesville; Robert
Coulter, Coatesville; Lara
Avery, Henry Perkins, Green-
castle.

Births: Mr. and Mrs. Rufus
Bowling, a daughter, Quincy.

To Ask Millions For Spanish Aid

WASHINGTON, Sept. 28.—
(UP)—The administration will
ask Congress for new millions
in military and economic aid for
Spain to follow up the Spanish
bases agreement signed Satur-
day, officials predicted today.

They privately estimated that
about half a billion dollars will
be spent in the next few years
to supply America's new West-
ern defense partner with arms
and economic help.

Sen. Richard B. Russell D-Ga.,
an influential member of both
Senate Armed Services and Ap-
propriations committees, sound-
ed a warning, however.

He said he was against the ex-
tension of any more economic
aid to anyone and predicted that
a proposal calling for this would
meet strong opposition in Con-
gress.

There is need for continuing
military assistance under the
foreign aid program, Russell
said, but the time has come to
end direct economic aid.

In the pact signed in Madrid
after 17 months of negotiation,
Spain agreed to permit the
United States use of certain air
and naval bases. In return, this
country promised to supply
Spain with an indefinite amount
of economic and military as-
sistance and to finance the nec-
essary construction and im-
provements of the bases.

Of the \$500,000,000 in aid ex-
pected to be earmarked for
Spain over the next few years,
\$226,000,000 already has been
approved by Congress in anti-
cipation of the base deal. This
will start flowing to Spain shortly—
\$141,000,000 for military equip-
ment and \$85,000,000 for indus-
trial, agricultural, transportation
and other economic pro-
grams.

The millions of dollars needed
to modernize the bases—the
precise figure hasn't been deter-
mined—still must be approved by
Congress. A request presumably
will be submitted early next
year.

STILL A DISASTER

GUEVENNATEN, France, Sept. 28.—(UP)—The village
bell here, tolled only when dis-
aster struck, was getting rusty
with disuse. Village elders, who
met to decide to what use the
bell should be put, finally de-
cided that henceforth it would
be rung to announce the regular
monthly visit of the tax col-
lector.

NO SIGN OF RAIN

The Indiana weather for today
and tomorrow shows no sign of
rain. The weather bureau hasn't
forecast beyond Tuesday night.

U. S. CHARGES RED LEAFLETS HANDLED POWs

ACCUSE COMMUNISTS OF
CIRCULATING VICIOUS
PROPAGANDA

PANMUNJOM, Korea, Sept. 28.—(UP)—U. S. officials accus-
ed the Neutral Nations Repatri-
ation Commission today of circu-
lating vicious Red propaganda
leaflets among 15,000 anti-Com-
munist Chinese prisoners.

The United Nations Command
said the leaflets violated the
spirit of the armistice agreement
by placing undue emphasis on
the desirability of accepting re-
patriation.

Brig. Gen. A. L. Hamblen,
commander of the U. N. repatri-
ation group, handed the letter of
protest to Lt. Gen. K. S. Thor-
ayya, chairman of the repatri-
ation commission.

Thorayya earlier had put him-
self on record as favoring Com-
munist demands on the method of
interrogating prisoners and it ap-
peared the Reds had won their
right to force captives to listen
to lectures.

It was expected that rules on
interrogations will be announced
Monday or Tuesday.

An American officer charged
that the propaganda leaflets, be-
lieved to have been distributed
Saturday night, so angered the
anti-Communist Chinese that
they tore the paper to bits.

"There is no doubt whatever in
my mind that the letter origi-
nated with the Chinese Communist
forces," Col. K. K. Hansen said.
"The letter was typed on a Chi-
nese typewriter not known to be
in the Neutral Nations Repatri-
ation Commission's hands," Han-
sen said. "It was typed on paper
of the Chinese Communist forces."

The explanations, delayed since
last Friday by Communist hag-
gling over procedure, are expected
to begin Thursday.

Two Jailed By Local Officers

Greencastle police arrested
two men Saturday night at 9
o'clock and booked each of them
at the Putnam county jail on
charges of public intoxication
and disorderly conduct.

The two were Chester Walton
Love, 34, of Putnamville and
William Green, 22, of Indianap-
olis.

Officers said they picked up
the two on West Franklin street.

STUDENT HAD WRECK

A Purdue University student
was involved in an auto wreck at
Cloverdale Saturday evening but
no official report of the accident
was on file at the state police
post at Putnamville Monday
morning. Lieut. Richard Raub
said that there was a notation
that the student would call for his
car.

WILL MEET FRIDAY

The Monroe Twp. Farm Bur-
eau will meet Friday night, Oct.
2nd, at the Brick Chapel Metho-
dist church at 7 o'clock. This
will be the policy development
meeting and it is urged all mem-
bers to be present to vote on the
different issues which concerns
the farmers. Refreshments will
be served by the organization.
Visitors are welcome.

Rollie Coffman Gets Farm Term

Rollie Coffman, 57, charged
with assault and battery in an
affidavit signed by his wife, was
arrested Sunday night by Sheriff
Joe Rollings.

Taken before Mayor Evan
Crawley in city court, Coffman
pleaded guilty and was fined \$25
and costs and sentenced to the
penal farm for six months.

India Suggests Date Compromise

UNITED NATIONS, N. Y.,
Sept. 28.—(UP)—The United
Nations General Assembly winds
up general debate today with a
feature speech by an Indian de-
legate who was expected to plead
for a compromise that would get
the Korean peace conference
started on its target date, Oct.
28.

Indian delegate V. K. Krishna
was scheduled to make a policy
speech at the afternoon session.
Krishna was author of the com-
promise formula that broke the
deadlock in the truce negotia-
tions over repatriation of prison-
ers of war.

While delegates have not lost
hope that the peace conference
eventually will be held, they see
little chance that it will get
underway by the Oct. 28 date
"recommended" in the Panmun-
jom truce agreement. They point
out that date, however, was "not
sacrosanct" and the conference
may start by the end of the
year.

There appeared little chance
that either side in the deadlock
would yield. The Communists
want the General Assembly to
reverse its decision for a two-
sided conference of belligerents
plus Russia, and to set up a
roundtable meeting including In-
dia and other Asian neutrals.
The assembly already has voted
down a move to re-open debate
on the issue.

In messages to Peiping, which
the Reds have not yet answered,
the United States has proposed
that the meeting get underway
Oct. 15, either in San Francisco,
Honolulu or Geneva. The United
States suggested that the Far
East Reds could raise the issue
of participation by "neutrals"
once the conference gets started.

MARRIAGE LICENSE

Roy Lee Goodpasture, night
watchman, and Mary M. Rogers,
at home, both of Greencastle.

HUGE THROG ENJOYS CEMENT PLANT PICNIC

MORE THAN 800 SERVED
BARBECUED BEEF ON
SATURDAY

The Safety picnic sponsored by
the Lone Star Cement Corpora-
tion was held at the spacious
Forest Park Saturday. Some 800
employees, their families and
friends attended.

The feature was the big barbe-
cue dinner served at noon by
Mac's Caterers of Indianapolis.
They cooked a 1,000 pound prize
4-H steer, starting at one o'clock
Friday. It was turned just right
and the hungry crowd really en-
joyed the feast. Promptly at ten
o'clock, Franc Boyce, Master of
Ceremonies, called the throng to-
gether. Norman Hill gave the
 invocation and Harry Green, treas-
urer, acting for J. C. West, vice
president in charge of Indiana
operations, who has been quite
ill, welcomed everyone to the
meeting, which was made pos-
sible because the employees were
careful enough to go through the
year 1952 without a lost time ac-
cident.

Other speakers included John
W. Mather, vice president and
H. A. Sawyer, president of New
York. Mr. Mather spoke of such
executives of the corporation as
H. Struckman, Hogan, Hummel
and Mr. Sawyer, all of whom
have served the corporation as
president.

Mr. Sawyer said the spirit
shown by the workmen in 1952 in
winning the safety award again
was the spirit of the Mid-west.
He said it was what had made
this nation great and predicted
greater things for the cement
company. He told of how many
hundreds of days the company
had gone without a lost time ac-
cident and promised another
record breaker would take place
on April 3, 1954, when they will
reach their third 1,000 days of
perfect safety.

Following the speech making
and awards to lucky persons, lunch
was served and the entire
afternoon was spent in games,
contests and in resting after a
very bountiful dinner.

Mr. Sawyer said in part:

No matter how much one
travels the length and breadth
of this country and up and down
the Western Hemisphere, com-
ing to Greencastle and Indiana
polis is always something special.
Because this is a special part
of the country, reflecting about
everything it does, the vigorous
forthright, freedom loving spir-
it of the pioneers who trekked
across the wilderness to open up
this territory to the west and
stayed here to build this impor-
tant segment of our nation.

It is this pioneering spirit, this
knack of getting things done and
done right, and at the same time
always being the good neighbor,
that is largely responsible for
achieving here at Greencastle
one of the outstanding Safety
records in industrial history.

(Continued on Page Five)

COME AND GET IT!

H. A. Sawyer, president of the International Cement Corpora-
tion, including the Lone Star Cement Company Unit here, rings the
latter bell at the safety picnic at Forest Park Saturday noon. Some
800 hungry employees and guests were waiting for this welcome
bell and were soon enjoying the barbeque dinner.

SAFETY TROPHY AWARDED FOR 12TH YEAR.

Ivan F. LeGore, Safety Director of the Portland Cement As-
sociation of Chicago, is shown as he awarded a replica of the big
Safety Trophy in front of the Lone Star office, to C. O. VonTress,
representing the plant personnel. Mr. VonTress accepted on behalf
of the plant employees who made the trophy award possible because
they worked through 1952 without a lost time accident. Other years
trophy has been won included 1930, 1932, 1936, 1937, 1940, 1941, 1942,
1943, 1944, 1945, 1950, 1952 and so far so good in 1953.

FOLKS MEET THE CHAMPION EATER

Earl Bemis was voted the champion at the dinner table. He is
shown here getting his share at the barbeque picnic dinner of the
Lone Star Cement Co., employees. The caterer insisted on giving
him more and Earl only objects a little. He got his full share, all
his fellow-workmen reported.

4,000 PLANES EQUIPPED FOR ATOM WARFARE

U. S. GIRDS FOR POSSIBLE
AIR ATTACK BY ANY
AGGRESSOR

WASHINGTON, Sept. 28.—
(UP)—The United States now
has approximately 4,000 war-
planes equipped to carry atomic
weapons, according to estimates
in well-informed military circles.

Only a relative handful of
these, it is believed, can be
adapted for delivery of the much
larger and infinitely more de-
structive hydrogen bomb.

It will be many months, more-
over, before there are significant
numbers of high-speed B-52 jet
bombers, which are intended
specifically for H-bombing and
are in early production phases.
The Air Force is expected to
announce plans this week to ac-
cure B-52 orders and set a
second production line.

The question of this nation's
ability to deliver nuclear weap-
ons has come to the fore again
with wide-spread reports that
such weapons are becoming in-
creasingly plentiful, varied in
size and purpose, and cheaper to
fabricate.

Sen. Richard B. Russell D-Ga.
recently commented that weap-
ons development appeared to be
out-pacing development of mod-
ern planes to deliver them. He
and Sen. Styles Bridges, R-N. H.,
urged more emphasis on pro-
curement of modern types.

The 4,000 estimate includes
planes of every type announced
as being fitted for A-weapons de-
livery. Of these, the Air Force
has at a maximum 3,500 and the
Navy has in the neighborhood of
500, possibly more, according to
available estimates.

Not all the planes are in com-
bat units. The Air Force, for
example, has received more than
600 B-47 jet bombers. But so
far as has been announced only
two combat wings, totalling
about 90 B-47s, have been or-
ganized and completed training.
Strategic Air Command crews
are being trained to take over
the speedy bombers as fast as
possible.

Local Boy Is Polio Victim

Illness of Arthur Nevins, son
of Mr. and Mrs. Arthur C.
Nevins, 6½ East Hanna street,
was diagnosed today as a serious
case of polio.

The boy entered the Riley hos-
pital in Indianapolis last Thurs-
day. His neck, back and left leg
have been afflicted by the
disease.

UNUSUAL EGG

On Saturday when Mrs. Har-
old Sibbitt of Floyd township
was baking a cake, she found an
unusually large egg in her col-
lection. She thought it was a
triple yolk affair, so broke it to
determine the contents. She
found three yolks as she sus-
pected. The egg weighed four ounces
and measured three inches in cir-
cumference. Mrs. Sibbitt says
she finds many double eggs, but
seldom a triple. A short time
ago Dr. Kent of the Full of Pep
research department said double
eggs are due to an unsettled
condition of pullets and the more
settled they become after being
placed in the laying house, the
less frequently will double eggs
appear.

Today's Weather Local Temperature

Generally fair and warmer to-
day and tonight. Tuesday in-
creasing cloudiness. High today
80-83 north, 84-88 south. Low
tonight 45-50 northeast, near 60
southwest.

12 noon	79°
1 p. m.	82°

Scouts Enjoy Weekend Camp

The other Scouts and leaders of the Wahash Valley Council were attending the Camp-o-ree near Sullivan, Troop 43, sponsored by the Gobi Memorial church conducted a week-end camp at Friend's camp southwest of town.

During the course of the week-end the following boys completed their second class requirement: Buddy Etter, John Gorman, John Gove, Cliff Hickman, Larry Murdock and Reed Williams. Bill Riggs completed his first class and others worked on First Class or merit badge requirements.

Other members of Troop 43 attending were Clyde Compton, Bill Graham, Buddy Martin, Mike Murdock, Doug Neumann, Tom Stewart and Mac Thorlton.

Dr. Russell Compton, troop committee chairman, spent Friday night and Saturday with the group and Dr. Lawrence Riggs spent Saturday afternoon, night and Sunday morning with the group. Rev. Elmer Harvey arrived for the noon meal on Saturday and Dr. Albert Reynolds assisted in advancement work on Saturday evening and attended the campfire conducted by Lawrence Riggs Saturday night.

Other visitors at this campfire were Mrs. Russell Compton, John Compton and Jim Riggs. Stanley Murdock, Scoutmaster, also attended the week-end camp.

ISLAND WANTED

ROME, Italy, Sept. 28 (UP)—Italy's Beefsteak Party is looking for a small cheap island where it can put into effect its utopian program of free beefsteaks, no taxes and treadmill highways.

Party Leader Corrado Tedeschi, in a circular letter to newspapers, said even a desert island would do.

The Beefsteak Party polled 4,305 votes of the 13,598,788 cast in the last general elections.

BUSINESS DECLINE

Bloomington, Ind., Sept. 28 (INS)—July to August business in Indiana declined significantly in many fields, building contracts, automobile production, farm prices, life insurance sales and newspapers advertising.

However, the Indiana University business research bureau in a report issued today said the August 1953 business still was better than for the same period of 1952.

Farm prices proved the exception falling from a high in July to a figure nearly 10 points under that of August, 1952. Coal production showed a belated rise in August to a point somewhat higher than a year ago.

The Indiana Business Review reported that although cattle receipts were three points below the July estimate, they were nearly one-third higher than last year.

Steel production remained at a "very satisfactory level" in com-

parison with national production.

It reported a continuing slow down in the rate of increase in personal incomes, not entirely satisfactory credit conditions, increasing book values of inventories and a decline in volume of unfilled manufacturing orders. The Review said:

"The existence of certain soft spots such as the decline in bank deposits from July, the weakening of department store sales and in newspaper advertising lineages will bear watching in the next few months."

READER ELETED

FORT WAYNE, Ind., Sept. 28 (UP)—E. Donald Reaber, Evansville, today was the new president of the Indiana Real Estate Association following its three-day annual meeting attended by about 400 members.

Other officers named were Harold Hobbs, Sr., Muncie, re-elected treasurer; Ben H. Drollinger, South Bend, re-elected secretary, and Howard Rerick, South Bend, elected national regional vice-president.

SKUNK AIDS POLICE

DETROIT, Sept. 28 (UP)—Officers searching for a young fugitive from Boys Republic, a running school, got some unexpected help from a well-armed skunk.

The runaway boy abandoned a stolen truck Sunday and dashed into a nearby field, where he soon was captured.

Police discovered that the stolen truck was occupied by a skunk.

EXTRA!

MARSEILLE, Sept. 28 (UP)—An American Army spokesman said today all four crewmen of a U. S. Air Force C-47 transport plane were killed Saturday when the craft struck a fog-bound mountain peak in the Pyrenees area of the eastern Pyrenees.

The names of the crewmen were not disclosed pending notification of next of kin.

GOETTINGEN, Sept. 28 (UP)—German prisoners of war just released by Russia said today that the Soviet still are holding several score former generals and aides to Adolf Hitler in Siberian prison camps.

WASHINGTON, Sept. 28 (UP)—Defense Secretary Charles E. Wilson said today the Russians are making "lots of progress" in building atomic and thermo-nuclear weapons—which include the H-bomb.

Wilson made the comment after his regular weekly conference with President Eisenhower at the White House.

He said Russia has the "probable ability" to manufacture the hydrogen bomb.

WASHINGTON, Sept. 28 (UP)—Speculation that Gov. Earl Warren of California is about to be appointed to the Supreme Court was heightened today by confirmation of a report that Attorney General Herbert Brownell, Jr., conferred with the governor for three hours yesterday.

A Justice Department spokesman said Brownell flew to McClellan Air Force Base near Sacramento, Calif., and returned to Washington after his talk with Warren.

THE DAILY BANNER and HERALD CONSOLIDATED

Entered in the postoffice at Greencastle, Indiana as second class mail matter under act of March 7, 1879. Subscription price 25 cents per week; \$5.00 per year by mail in Putnam County; \$3.00 to \$10.40 per year outside Putnam County.

Personal And Local News Briefs

Milton Wyatt left Sunday for Tiffany, Ohio, to visit his daughter, Mrs. Gene Medley.

Miss Edith Price of Plainfield was the guest of Mr. and Mrs. William Price Wednesday.

Bethel No. 78 of John Daughters will meet tonight at 7:00 P. M. at the Masonic Temple.

Dr. Robert H. Farber is recuperating nicely after being confined to his home for several days.

Mrs. Edith Gilbert of Mansfield, Ohio, is visiting in the home of Mrs. W. R. Hutcheson.

Officers of Women of the Moose No. 133 will meet Wednesday at 8:30 in regular stated meeting at the Moose Hall.

Mr. and Mrs. Robert Hahn and family of Wilmette, Ill. were the weekend guests of Prof. and Mrs. Carl Washler.

The R. N. Club will meet Wednesday evening at 7:30 o'clock at the Nurses' Home. All R. N.s are urged to be present.

The Clinton Center P. T. A. will meet Tuesday evening at 7:30 at the school building, to make arrangements for the fall festival.

Mr. and Mrs. Ray Cline and Harry and Clara Mahb, spent Sunday with Mr. and Mrs. Clifford Horton and family in Versailles.

The first meeting of leaders of all local Girl Scout troops will be held this evening at 7:30 o'clock at the home of Mrs. Albert Reynolds, 403 East Hamd street.

Scout Troop No. 92 of Bainbridge is having a paper drive Saturday, Oct. 3rd, at 9:00 a. m. Please have your papers tied and out in front of your house. Clinton Judy, scoutmaster.

Mr. and Mrs. Arthur Geabes, Harry Ash and Mr. and Mrs. E. H. Snider spent Sunday at Nashville and Brown County State Park. They also called on relatives of Mr. Geabes at Columbus.

Earl Fisk Camp No. 48 and Auxiliary No. 54 will have a regular meeting Thursday evening, Oct. 1. There will be a pitch-in dinner at 6:30 at the Public Service Co. Please bring table service.

Mr. and Mrs. Lois J. Arnold and Mrs. R. P. Mullins have returned from a two weeks motor trip to Colorado and other western states. While away they visited Mr. and Mrs. Rome Dietrich in Loveland, Colo.

Mr. and Mrs. John C. Brown, Greencastle, are the parents of a daughter, Teresa Kaye, born Saturday morning at the Methodist Hospital in Indianapolis. Mrs. Brown is the former Miss Gayle Harlene Priest.

Regular stated meeting of Cassel C. Tucker Unit No. 58 American Legion Auxiliary will meet this evening at 7:30. The film on Girl State will be shown and a business meeting will follow immediately after the film.

Dr. and Mrs. DeWan Killinger have left for Cleveland, Ohio. Dr. Killinger will attend sessions of the annual national convention of the American Dental Association. They will be away for the rest of the week.

Mrs. Raser Bittles and Miss Mary Bittles left Sunday for Kentland, Ind., where they will make their home with Dr. and Mrs. W. C. Matthews. Mr. and Mrs. Thomas Bittles drove them to Kentland.

Miss Nancy Cooper of Chicago will arrive on Tuesday for an extended visit with her mother, Mrs. Albert Cooper on Seminary Street. Miss Cooper will remain in Greencastle until her marriage on Oct. 24th to Donald Bruce Anderson of LaSalle, Ill.

Send your cleaning with your laundry—Let one stop do it all. Home Laundry & Cleaners. Mon. to

SOCIETY

D. A. R. State Session
Will Start Oct. 6

INDIANAPOLIS, Sept. 28 (INS)—State and out-of-state members of the Daughters of the American Revolution will open the 53rd annual Indiana State DAR conference in Indianapolis Oct. 6.

State regent, Mrs. Herbert R. Hill said officers and delegates from the 92 Indiana chapters and visiting dignitaries will make the Hoosier meeting one of the largest in the nation.

Included in the notable visitors will be national president-general Gertrude C. Carway, three state regents, a national committee chairman and a national committee vice-chairman.

Mrs. Washler Hostess
To Needlecraft Club

The Needlecraft club held its first fall meeting with Mrs. Carl Washler on Friday p. m. with a large attendance. Mrs. Gertrude Doxey was a guest of the club. Mrs. J. F. Hirt, president, presided at the business session.

The Council of Clubs report was given. Mrs. George Schafer and Mrs. F. E. Todd were appointed as council members. The film reporter announced the following movies to be shown soon. "The Story of Three Loves", "Maa on a Tight Rope", "To Night We Sing" (Sol Hurok) "Pickup on South Street", "From Here to Eternity (very good)", "The Master of Ballantrae", (Stevenson's mood), "War of Worlds", and "Shame".

The program was in charge of Mrs. Cecil Brown, who introduced her paper "First Schools of Indiana" by the authority of Jesse Wick by asking all to sing "School Days". Mrs. Brown dealt mostly with the schools of Greencastle and Putnam County.

The county was organized in 1821 and in 1830 arrangements were made for a lot and school building to be erected, this to be called the county seminary.

It was located on W. Washington street between Madison and Jefferson streets.

In 1867 G. Ridpath was the first superintendent of the Greencastle Schools. In 1872 the first county superintendent, John R. Gordon, was elected.

During the social hour delicious refreshments were served by the hostesses and her mother, Mrs. Doxey. Club adjourned to meet with Mrs. Pease in October.

Current Book Club
Meets Tuesday

Current Book club will meet Tuesday evening, Sept. 29th at the home of Mrs. R. E. Sandy, E. Franklin street.

Progress History Club
Meets Tuesday

Progress History club will meet Tuesday at 2:30 at the home of Mrs. Grafton Longdon, Sr.

ANNIVERSARIES

Birthday

Keith Russell Ervin, son of Mr. and Mrs. Raymond Ervin, South Indiana St. Road, 10 years old Sept. 28.

Melvin Leaman Littrell, son of Mr. and Mrs. Leaman Littrell, 1 year old today, Sept. 28.

Wilma Jean Brown, daughter of Mr. and Mrs. Clarence Brown, Greencastle R. 2, today, Sept. 28.

Teas-Ensor Wedding Saturday

The marriage of Miss Barbara Lou Ensor and Joe Mark Hess, both of Bainbridge, was solemnized Saturday evening, Sept. 26, at 7:30 in the Bainbridge Methodist church.

The bride is the daughter of Mr. and Mrs. Ellet Ensor, of Bainbridge R. 1, and the bridegroom is the son of Mr. and Mrs. Gene Hess, of Bainbridge.

Sam Hostetter played several bridal selections on the piano. "Through The Years," "O Perfect Love" and "Eternally."

The Rev. Lutz read the vows of the double ring ceremony before an altar decorated with baskets of white chrysanthemums and palms and lighted by candles.

The bride, given in marriage by her father, was lovely in a gown of white nylon lace and net over white taffeta. The strapless ballerina length gown was fashioned with a nylon lace jacket which fit snugly over the bodice. The skirt had tiered panels of net in front and lace in the back. Her gloves were of nylon lace. She wore a strand of pearls, a gift of the bridegroom. Her finger-tip veil showed from a satin cap accented with seed pearls and rhinestones. She carried a bouquet of amazon lilies, red rose buds and stephanotis.

Mrs. Wanda Sutherland, sister of the bride, was matron of honor. She wore a light yellow ballerina length gown of taffeta covered by nylon net and a head dress of yellow daisies, and a strand of pearls, a gift from the bride. She carried a bouquet of amazon lilies, baby yellow rose buds and stephanotis.

Robert Van Cleave was best man. Ushers were Jerry Ensor and Richard Johnson.

The bride's mother wore a suit of brown faille with beige accessories and a corsage of yellow roses.

The bridegroom's mother wore a charcoal faille dress with gold accessories and a corsage of yellow chrysanthemums.

Following the ceremony a reception was held in the basement of the church. The table was decorated with a lace table cloth over blue linen with blue candles in the center and a bouquet of white chrysanthemums with blue and white ribbon on each side of the three tiered wedding cake, which was topped with a miniature bride and groom.

The couple left on a wedding trip to the Smoky Mountains. For traveling the bride chose a beige suit with brown accessories and wore a corsage of amazon lilies.

They will make their home in Bainbridge.

The bride graduated from the Bainbridge high school with the class of 1952 and the bridegroom graduated with the class of 1950.

W.S.C.S. Circles
To Meet Thursday

The eight newly organized circles of the Woman's Society of Christian Services of Gobi Memorial church will hold the first fall meetings on Thursday, Oct. 1. Following the theme of study for the year, "A Sower Went Forth," the circles have adopted the names of women who are devoting their lives to sowing the seed of Christianity through missionary service. They hope through this means to become better acquainted with these missionaries and the work they are doing. If any member or friend of the church has not yet been contacted and would like to be included in one of these circles, please call Mrs. C. P. Hickman, 199-M.

The Marjorie Dimmitt Circle, led by Mrs. Walter Ballard, meets at 2 o'clock with Mrs. Ruth Quebbman, 609 E. Washington St. Assistant hostess is Miss Nan Dimmitt; devotions, Mrs. Will Hargrave; program, "Fun and Festival Among America's Peoples," Mrs. Orville Davis.

The Sammy Kutz Circle, led by Mrs. James Pence, meets at 2 o'clock with Mrs. Pence, 615 Ridge Ave. Devotions, Mrs. W. Boatright; program, "Alcohol and Christianity," Mrs. J. E. Porter.

The Helen Kim Circle, led by Miss Susie Talbott, meets at 2 o'clock with Mrs. Robert Crouch, R. R. 3. Assistant hostess, Mrs. Charles Hymer; devotions, Mrs. Nettie Utt; program, "That the World May Know," Mrs. Hiram L. Jome.

The Gusta Robinett Circle, led by Mrs. L. W. Van Cleave, meets at 2 o'clock with Mrs. W. J. Fuson, 108 Northwood Blvd. Assistants Mrs. Charles Moore and Mrs. H. H. Ellis; devotions, Mrs. Ivan Ruark; program, "The

Prophet Jeremiah," Mrs. Elmer Harvey.

The Dorothy Seest Circle, led by Mrs. Howard Williams, meets at 2 o'clock with Mrs. A. L. Meredith, 504 S. Jackson St. Assistant hostess, Mrs. Charles Hutcheson; devotions, Mrs. T. G. Yunker; program, "Within These Borders," Miss Sylvia Taylor.

The Barbara Beecher Circle, a young mothers' group led by Mrs. Mark Carter, meets at 8 o'clock with Mrs. Herbert Heller, 15 Bloomington St. Devotions, Mrs. James Johnson; program, "The Prophet Jeremiah," Mrs. Elmer Harvey.

The Mabel Michel Circle, led by Mrs. A. W. Crandall, meets at 7:30 at Mrs. Crandall's home, 611 Ridge Avenue. Mrs. R. E. Kiser, devotions; program, "That the World May Know," Mrs. Hiram Jome.

The Ellen Studley Circle, led by Mrs. Harold Ross, meets at 7:30 with Miss Mildred Dimmick, 115 S. Bloomington. Assistant Mrs. F. P. Inglis; devotions, Miss Patricia Hyle; program, "Heritage and Destiny," Mrs. Robert Eccles.

Miss Susan Stewart
Honored At Shower

A pretty party was enjoyed by 26 friends on Friday evening when Mrs. Willard Singleton, assisted by Ruth Stewart, was hostess in her home at a miscellaneous shower, honoring Miss Susan Stewart, bride-elect.

Miss Stewart and Charles Sanders will be married on Oct. 3 in the First Christian church.

The dining table was attractive with white chrysanthemums and a miniature bride and groom. A large wedding bell in basket shades hung from the chandelier.

Miss Stewart was the recipient of lovely and useful gifts.

Miss Libby Stewart and Miss Clarence Sanders, sisters of the bride and bridegroom elect helped with the serving.

Friendly Neighbors
Club Meet Wednesday

Friendly Neighbors Club of East Greencastle Township will meet Wednesday evening with a pitch-in supper at 7:30 at the home of Mrs. James McNeill.

Home & Child Study Club
To Meet Tonight

The Home and Child Study Club will meet tonight at 8 o'clock at the home of Mrs. Hazel Haffha. Miss Helen Blinck, of the DePauw Home Economics department, will have the program of "Foods For Children."

Mrs. Dan Nickerson
Hostess To Club

The 1950 Homemakers Extension Club met at the home of Mrs. Dan Nickerson on Sept. 24. The meeting was opened by the president, Mrs. Alva Cash, leading in the flag salute and club creed. Seventeen members answered the roll call with statements about "Why I liked my favorite teacher." Nine children and three visitors, Oldemar R. Pimenta, Rural University of State of Unites Gerais, Mossa, Brazil, South American; Mrs. Mrs. Mildred Bastin and Mrs. Turner were also present.

Mrs. Jewell Brainaman gave a very interesting safety report on Making safe all flues, chimneys, etc., before building fires in the early fall.

The nominating committee gave the following report on officers for the coming year: president, Mrs. Alva Cash; vice president, Mrs. Gene Maxwell; secretary, Mrs. Gene Broadstreet; treasurer, Mrs. Tom Sandy. The club approved the report.

The president gave a report on the council meeting and a decision was made on the choice of lessons for the coming year.

The next meeting will be held at the home of Mrs. Alva Cash on Oct. 22.

Delicious refreshments were served by the host and hostess, Mrs. Dan Nickerson and Mrs. Hubert Nickerson.

ADMIT CRIMES

CINCINNATI, O., Sept. 28 (UP)—A 24-year-old Indianapolis man and his companion were returned to Kentucky today following their alleged confession of several crimes, including a \$1,600 holdup of a Wilder, Ky., cafe.

John D. Patterson, 24, and James Lake, 30, Louisville, Ky., were arrested here Saturday along with Mrs. Martha Clark, 25, Indianapolis. Authorities said they admitted burglaries of three stores in Bedford, Ind., and named Delbert Spicer, 42, Alexandria, Ky., as a "fingerman" in the holdups. Spicer was held in Newport, Ky.

The Helem Kim Circle, led by Miss Susie Talbott, meets at 2 o'clock with Mrs. Robert Crouch, R. R. 3. Assistant hostess, Mrs. Charles Hymer; devotions, Mrs. Nettie Utt; program, "That the World May Know," Mrs. Hiram L. Jome.

FACES SERIOUS CHARGE

(Mr. Dale)

EVANSVILLE, Ind., Sept. 28 (UP)—Amos Amadio, 37, wealthy night club owner and oil speculator, will go on trial in federal court Tuesday on charges of violating the Mann act.

Amadio, whose night spot is along the notorious honky-tonk row in Calumet City, Ill., is charged with taking two women and three minor girls to Calumet City for immoral purposes.

Accused with Amadio was Grover C. Craig, 22, Evansville who will be tried at the same time. The defendants claim the girls worked only as waitresses.

Federal authorities said one girl, claimed she worked as a strip tease entertainer. It was reported a 15-year-old girl will be called to testify.

TOO DEPRESSING

MEXICO CITY, Sept. 28

(UP)—A city traffic department order today prohibits rears from parking in front of funeral homes. A department spokesman said the ban was invoked "to avoid a depressing sight to the public."

First morning duty of custodians at Blarney Castle, Eire, is to scrub the lipstick off the Blarney Stone.

FORMER PREMIER UNDER ARREST

IBRAHIM ABDEL HADI, Saadist party premier of Egypt in 1948, arrives at military police headquarters in Cairo under guard after being arrested in a pre-dawn roundup of politicians of the monarchy regime. The Saadist party now is outlawed. Egyptian persons were seized on orders of President Mohammed Naguib. It was reported they would be tried by the revolution court created to try alleged traitors and others accused of crimes against the state. (International)

Carroll College
Defeats Tigers

Two touchdowns resulting from
a fourth quarter rally, enabled
Carroll College to squeeze past
the DePauw football team, 20 to
17, Saturday afternoon at Wau-
kesha, Wisconsin.

Coach Mike Snavely's Tiger
broke the ice in the third period
after a scoreless first half with
a 14-yard field goal by End Wil-
liam Wooden. Only two minutes
remained in the quarter when
Wooden split the uprights. Car-
roll countered during the same
frame with their first strike
into paydirt.

DePauw also collected two
t.d.s. in the last frame but could
not stop the attack of the hos-
team and bowed, 20-17.

With two setbacks on the road
in as many weeks, the Old Gold
will open its home season this
Saturday afternoon in Blackstock
Stadium with Ball State furnish-
ing the opposition.

NUTS TO NUTS

OKMULGEE, Okla. (UP)—
Thieves apparently were not
looking for peanuts when they
broke into the Lone Star Peanut
Co. here. They stole several tool
and some gasoline—but no pea-
nuts.

HURRICANE HITS FLORIDA

Hurricane Florence, its highest winds scaled down to 90 miles an
hour caused extensive minor damage as it roared across a 50-mile
stretch of the northwest Florida coast. Here a resident of Panama
City, Fla., where a five-foot tidal wave which preceded the storm
flooded parts of the town, stands ankle deep in water as he attempts
to dry out his car's motor.

ROUGH SAILING AHEAD FOR THEM

Louis voted to retain these top officers—(from left) George
Leany, president, vice president Matthew Well and William Schmitz-
secretary-treasure—amid reports of a possible all-out labor
at between the ousted International Longshoremen's association
and a new union chartered by the convention. The AFL also back-
ed the claim of ex-Secretary of Labor Martin Durkin that President
Eisenhower broke an agreement on amendments to the Taft-Hartley
law.

"HEY, YOU, GET OFF THE STREET"

AIR RAID WARDEN Milton Luhs blows his whistle to clear the
streets during history's biggest peacetime air raid test in New York
City. This nearly deserted scene is 42nd street and Fifth ave. on
theory. Two atom bombs were dropped on the city and more than
one million persons were "killed." Police and civil defense officials
held the 15-minute demonstration a 99 per cent success.

Whenever corn cobs are avail-
able, stockpile them in feed
yards, empty cattle sheds and
barns for use during winter
months as bedding. In order for
your livestock to gain efficient-
ly they should be kept comfort-
able and satisfied, remind Pur-
due University animal husbandry
specialists.

Young dairy animals not car-
ried with the regular milking
herd should be provided with
enough grass to keep them gain-
ing in live weight. Animals calv-
ing during the next six months
are especially in need of this
care, believe Purdue University
dairymen.

Poultrymen shouldn't house
hens and pullets in the same pen,
since the temperament of pullets

coming into production is great-
ly different than hens that are
finishing their yearly lay. Purdue
University poultrymen say there
is also the hazard of adult hens
carrying disease.

GARMENT FACTORY? NO! AUTOMOBILE PLANT? YES!

A never-ending source of surprise for visitors to Studebaker's
automobile plant in South Bend is the upholstery department
where scores of skilled seamstresses, operating row upon row
of sewing machines, fashion the seat and head lining, door
trim, and other interior fabrics for Studebaker passenger cars.
Visitors are astonished that great numbers of women, no less
than men, are needed to build the motor car of today. Inset
shows Mrs. Bertha Waldo, 3302 South Michigan St., South
Bend, typical of the distaff side of Studebaker craftsmen, at
work on her sewing machine. Mrs. Waldo will soon round out
her 31st year with the company. Her husband, a member of
the engineering staff, is also an employee of many years' stand-
ing. A daughter, with a record of 17 years with the company,
completes the family group.

NOTICE TO TAXPAYERS OF PUTNAM COUNTY OF TAX RATES CHARGED

Notice is hereby given the taxpayers of Putnam County, Indiana, that as a result of action taken by the Tax Adjustment Board of Putnam County, on the budgets and levies submitted by the tax levying offi-
cials of the several taxing units of the County, rates of taxation on each one hundred dollars of valuation of the taxable property and rates on each poll hereinafter tabulated by taxing units, now stand charged,
subject to appeal, for state, county or other purposes stated, payable in the year 1954:

THE FINE CAR

at half the fine car price

Duplicating America's costliest cars, feature after feature, Ford is worth more when you buy it... worth more when you sell it!

A FEW MINUTES on the telephone calling the dealers who sell America's finest cars will reveal there are at least eleven models among four makes with price tags over \$4,000!

Now the interesting thing is that in feature after feature the Ford car duplicates each one of these fine cars, and for less than half the fine car price!

To be specific:

If you will look under the hood of the most expensive cars what do you find?

A V-8 Engine!

Well, the Ford car has a V-8, too. In fact, it has had V-8 power since 1932, and since that time Ford has built more V-8's—by millions—than all other manufacturers combined. And there's no other builder in Ford's price range that's seen fit to offer one yet!

Another point—though Ford's Strato-Star V-8 turns out a tidy 110 horsepower, it's not the number alone that counts. It's the kind of power you get out of the engine—through the transmission—that tells the story. And, what you get out of the Ford V-8 with any of three transmission options—Fordomatic, Overdrive and Conventional—is written in letters of "go" wherever there is a road.

But the engine, as fine as it is, is only one of many things that make a fine car fine.

Automatic shifting, for example. All the fine cars offer it in one form or another. But if you've never driven a Ford with Fordomatic you've missed one of the finer things of life. This amazing transmission not only does away with clutching and shifting forever—it gives you exactly the amount of power you want, when you want it—automatically. And, without delay. Some so-called automatics still require a clutch pedal and take their own sweet time to get you going. Not so with

Fordomatic. In train with either the V-8 or Six, Fordomatic says "yes" when you say "go."

Fine car power steering, too. The big, heavy costly cars offer it for the same reason they offer power brakes. It's a man-sized job for a 120 pound woman to handle a car weighing two tons or more without it—especially when parking. Our "Master-Guide" power steering has two distinct benefits.

First, it gives a hydraulic power assist right down at the wheels and just enough to take out the work. You don't relinquish one particle of control—rather your control is more complete and far easier.

Second, being hydraulic, "Master-Guide" power steering absorbs those fatiguing steering wheel tremors caused by ruts and roads in bad repair. Incidentally, this is a great safety advantage, because the car is so much easier to control in the case of a tire blow-out or hitting a soft shoulder unexpectedly. And road wander due to a cross wind is something you can forget about. And you don't pay a fine car price for "Master-Guide."

But there is another fine car feature—the Ford ride. Books have been written on the subject of riding quality in an automobile, but the payoff comes on the pavement—or lack of it! Many people associate a comfortable ride with excess weight, but it's not weight alone that makes for comfort. If it were, those big five-ton trucks which you see every day would be the most comfortable vehicles on the road.

Without being technical we can tell you that what's been done with the suspension and springing system gives the Ford a softer, smoother ride than many cars which weigh the scales at better than an added half ton. What's more, Ford engineers have found out how to cut front end road shock up to 80%—

something many of the others haven't! Roads you'd avoid entirely in many cars become not just passable—but passable in comfort. And, when you round a curve, you do it on the level—one of the advantages of another fine car feature—Ford's wide front tread.

And speaking of ride, we'd also like to point out that all seats—front and rear—in a Ford are cushioned in foam rubber, and at no extra cost.

What about room? Here's an interesting point. If you've felt that only a costly car offered enough room, you just ought to sit down in a Ford even if you're out-size and six feet four! The so-called big car is bigger on the outside, to be sure, but unless you buy a limousine with those little jump seats, it's not one passenger bigger inside.

Every standard Ford model carries six—with the exception of the Business Coupe, and of course, the Country Sedan and Country Squire which carry eight—with ease. And, as for "baggage room"—Ford trunk compartments measure better than 26 cubic feet. That's a full suitcase larger than most cars on the road today!

Visibility is another fine car Ford feature because they all have huge, curved one-piece windshields and a huge rear window to match... plus side windows that mean every passenger gets room with a view! You will enjoy the extra safety of full-circle visibility every mile you drive—the absence of "blind spots" made possible by the large glass areas and narrower corner posts.

How beautiful is a Ford? A great English poet, John Keats, wrote "Beauty is Truth, Truth Beauty"—well, he could have been writing about our car for its beauty comes from honest, clean lines in every dimension.

In fact, we think most people agree—even our competitors—that the appearance of a Ford Car leaves little to be desired. It's "at home" wherever it goes and it goes everywhere.

So there you have it—the features and reasons that make a fine car fine as far as control, looks and comfort are concerned.

But what about Ford quality? Does it too match the fine car? Is the sheet metal of the body panels as thick? Is the finish as good? How about the trim and things like that? Well, as far as we can determine, the sheet metal is identical in thickness in practically all instances. As to finish—we believe Ford's baked-on enamel has no equal in any car. Ford upholstery fabrics and trim are less costly, to be sure, but they're less delicate, too, and if anything, more durable.

How then is it possible to give you this fine car at half the fine car price?

Part of the answer lies in Ford manufacturing skills and knowledge as evidenced by the V-8 engine. Part of it comes from the ever increasing numbers of cars Ford produces and the economies they make possible. And, part of it comes from Ford's willingness to give greater values than might be expected in cars selling in Ford's price range. That's the Ford idea.

Summing up. All these things add up to a fact that a prudent man cannot overlook. Ford Cars are not only worth more when you buy—but also worth more when you sell, as proved by the prices Ford used cars bring in the used car markets throughout the country.

No wonder Ford is proving to be America's finest fine-car buy!

FORD

Worth more when you buy it...
Worth more when you sell it!

KING MORRISON FOSTER CO.

The oldest cities in South Carolina are Charleston (called CharlesTown until 1786), which was established in 1670, and Beaufort, settled in 1715. Columbia, the capital city, was not established until 1776.

ADMINISTRATOR'S SALE OF REAL ESTATE

The undersigned, administrator of the estate of Ollie Adams Arnold, deceased, hereby gives notice that, by virtue of an order of the Putnam Circuit Court, he will, at the hour of 10:00 A. M. of the 22nd day of October, 1953, at 506 East Hanna Street, in the city of Greencastle, Indiana, and from day to day thereafter until sold, offer for sale at private sale, all the interest of said decedent in and to the following described real estate in Putnam County, Indiana, to-wit:

The west half of Lot number three (3) of Block number three (3) in the Central Survey of the town, now city, of Greencastle, Indiana. Also known as 506 East Hanna Street, Greencastle, Indiana.

Said sale will be made subject to the approval of said court, for not less than the full appraised value of said real estate, and upon the following terms and conditions:

Cash in hand for the full sale price.

Said real estate will be sold subject to the 1953 taxes due and payable in 1954 but free and clear of all other liens.

Sealed bids may be submitted by mail to the undersigned administrator, Rural Route, Fillmore, Indiana, prior to the date of the sale.

Bert D. Wright, Admr.

Wilbur S. Donner, Atty. 21-3t.

AT THE CHATEAU
Charlton Heston played an unusual role of a white Chief in Paramount's new Technicolor drama "Savage," which opens in the Chateau Theatre. The thrill-packed picture is Joan Taylor, Sam and Pter Hanson.

LONE STAR PICNIC

That is in no sense an overstatement, for the facts are that the cement industry as a whole has just about the best safety record of all the heavy industries, the Lone Star system as a whole has one of the best records in the cement industry, and you folks here at Greencastle have just the best safety record among all the Lone Star plants. I say that's a record in which everyone of this organization can take a just and sincere pride.

You first won your Safety Trophy back in 1930, and you have won it again and again ever since, to be exact, a grand total of 12 times in the past 23 years. Only one other mill in our system has a better record.

You have been a member of the 1,000 Day Club two times in the past and are now moving ahead again toward this enviable goal, which I call the World's Series of Safety. A continuation of your present fine record will see you attain this goal on April 3rd, next year.

In extending to every single member of this organization my sincerest congratulations for the job you have done, I find myself deeply touched, because I know that accomplishment like this doesn't come easily and I know how hard all of you have worked to earn this wonderful record.

There is nothing in life like the pride of personal achievement, the deep inner satisfaction which comes from doing, day in and day out, to the utmost limit of one's ability, the things we set out to do, and you are certainly entitled to feel that pride of achievement in full measure for the victory you have won over Old Man Accident.

It is said the first 100 years are the hardest and the same thing might be said of the first accident free year. But that would not be the right way to look at it. Because each new day is a new challenge and a new threat, and there's no room for complacency nor time for patting ourselves on the back, when it comes to saving life and limb. You can design and install all the safety devices possible to the in-genuity of man, but the one safety device that matters most every minute of our lives is the will of each of us as individual human beings to work and live safely in everything we do, in the plant, on the highway, in the home.

Given that attitude and there's no reason in the world why the record that we celebrate today cannot be multiplied by two and then by three—if we will it so and let nothing turn us aside from our objective.

There are a number of mighty good reasons why this great safety record can be extended into the months and years ahead.

You can't measure this spirit, but you can feel it and sense it in any Lone Star gathering. That is what folks like George Pearson and Carl Erdman, and all of you who have been here at this plant since it became a member of the Lone Star family twenty-eight years ago, stand for, and let us not forget me like Mike Spring and Leo Brendle, whom we all remember with deep affection. You can sense this Lone Star spirit, too, in the heartening fact that 30% of the people in the Indiana organization have been with us for ten years or longer.

I should also like to pay tribute to the wives in this audience or their part in helping to make this record possible. No man can work safely if he takes his off-the-plant problems to the job with him, and the record plainly shows that in this and in all other respects you stand ovally behind your menfolk. It would be really worth-while to have a Kinsey report if it gave as something like an adequate appraisal of the value of the loyal devotion of the wives of this country as a vital factor in the progress of the nation.

One thing further I'd like to mention. All of us were thrilled recently by the fact that all domestic Lone Star plants completed the first six months of this year without a single lost-time accident. This is the first time in the history of Lone Star for that matter of the cement industry, that a company with as many as twelve mills in this country completed six months continuous operation with a perfect safety record.

The determination, straight thinking and self-discipline on the part of the entire organization that made this record possible—the team play that has enabled you folks here at Greencastle to complete another year free of accidents, plainly show

what we can do if we make up our minds that that is how it is going to be.

I congratulate you on your great achievement and fervently pray that the spirit of accomplishment which your record so eloquently portrays will carry you accident-free far into the future. Nothing is more important than Safety—the happiness of every family represented here today depends upon it. It's worth working for and striving for, every waking hour of our lives.

BULLETINS

NEW CASTLE, Ind., Sept. 28 (UP)—James A. Burris, 19, Muncie, was killed Saturday in an apparent hunting accident when a .22 caliber rifle bullet struck his side above the hip.

Authorities said Burris left Huber Ferrel home at Mooreland with a hunting dog and a search was begun when the dog returned without its master. The victim was found at the foot of a bank, and police believed he had slipped, discharging the gun at his side.

BELGRADE, Sept. 28 (UP)—Yugoslavia formally rejected today Italy's proposal for a plebiscite to settle the controversy over Trieste.

The Yugoslav government handed a note to the Italian legation, repeating arguments that a plebiscite would be acceptable only if a series of measures were taken in advance to "create full power and equality" for the Slovenian and Croatian population.

VINCENNES, Ind., Sept. 28 (UP)—Phillip Wyatt, 15, Vincennes, was in critical condition at a hospital here with a bullet wound in the head inflicted during a boys' realistic "war game".

Authorities said Wyatt was shot in the head with a .22 caliber rifle Saturday while playing soldier in a woods south of here. They said James Coleman, 13, Vincennes admitted accidentally firing the shot.

KENTUCKY LAKE STATE PARK, Ky., Sept. 28 (UP)—Gov. George Craig of Indiana today expressed optimism for prospects of a proposed toll superhighway from the Great Lakes to Florida.

Craig met with top officials from Kentucky, Tennessee, Georgia and Florida to search for agreement on a plan for the road.

During a break in the meeting, Craig joined Gov. Lawrence A. Rotherby of Kentucky in saying, "We will work out a plan agreeable to each state."

WASHINGTON, Sept. 28 (UP)—Sen. Joseph R. McCarthy and his fiancée Jean Kerr will attend their first and only pre-nuptial party tonight after the rehearsal for their wedding Tuesday.

The Wisconsin Republican and his bride-to-be waived aside other aids to pre-wedding entertainment on pleas of crowded schedules. McCarthy has been out of town on Senate business and making speeches.

Miss Kerr, the senator's one-time assistant, has been elbow deep in bridal details of the wedding that will take place in St. Matthews Catholic Cathedral at 1 A. M. Tuesday.

The Rev. William J. Awall, who will officiate, planned to put the wedding party through its practice paces at the cathedral this afternoon.

The couple later will attend a party at the ranch home of Mr. and Mrs. Garvin E. Tankersley in nearby Maryland.

TURNED THE TABLES

LOS ANGELES, Sept. 28 (UP)—Cab driver Edward Cropper, 30, turned a bruised and bleeding robbery suspect over to police.

"The guy jumped in my cab and clubbed me with a 16-inch wrench," Cropper explained. "That's the second time some character has tried to stick me up and I got tired of it."

Today's Market

Hogs 13,000. Uneven. Barrows and gilts 50c to 75c lower early; some late sales \$1 lower; 185-250 lbs., \$25-\$25.25; 120-160 lbs., \$21-\$22.50; sows weak to 50c lower; choice 309-400 lbs., \$22.50-\$23.50.

Looking At Life

BY ERICH BRANDEIS

At a little get-together in a friend's house we decided not to play cards or look at television for a change, but to engage in the almost forgotten art of conversation.

We talked about politics, religion, books, fashions, the latest Kinsey report and other elevating subjects and finally we got to the most interesting topic of all—mutual acquaintances, of whom we had many.

Not being a very brilliant conversationalist, I did more listening than talking and so I had a good chance to catalogue the trend of the conversation.

When the talk came to people we all know, I was surprised to realize how many of our acquaintances we disliked; how much we had to criticize about them; what bad habits they had and

what unbecoming clothes they wore. (I must inject here that there were three men and three women present.)

At any rate, it seemed to me that the scope of our dislikes is enormous and that the majority of people, to judge by us six, do an awful lot of hating and not nearly enough loving of our neighbors.

The morning after this little talkfest I happened to come across a book just published by the Sloane people, entitled "Insects: There Secret World." It is written by Evelyn Cheesman who has long been Curator of Insects at the London Zoo, who certainly ought to know all about the social and intellectual life of butterflies, locusts, crickets, Japanese beetles and mosquitoes.

In Miss Cheesman's opinion, the insects Man is obviously an unmitigated pest and, from the mosquito's point of view, a most inconsiderate and selfish animal.

Who, for instance, but Man would cut down whole forests to make the paper on which to print even books on insects, such as Miss Cheesman's?

Who but Man would scatter

clouds of DDT out of a purely murderous desire to destroy insects, or dust cabbages, a delectable delicacy for insects, with rotenone?

It is very fortunate that insects don't think. Otherwise, the author says, they would HATE Man.

And Man can learn a whole lot from insects. According to Miss Cheesman, cut a moth's head off and she can still lay eggs. With all of Man's enmity, the mosquito, the bedbug, the cockroach still manage to survive. Insects can hear much better than Man. They can outsmell him any day. They can see Man coming a mile away. Who has ever seen a locust

wearing eye-glasses, especially bifocal ones? Who has ever encountered an ant with a hearing aid?

Please don't misunderstand me. I am not quoting Miss Cheesman directly. I am only trying to interpret some of her thoughts.

But she does say, for instance, that once she encountered a digger wasp who used a pebble to pound down the loose soil at the entrance to its burrow. And she has definite evidence that bees can learn to associate color with food.

Insects, as a matter of fact, are much more versatile than Man. It is rather unfortunate that they cannot impart their opinions about humans to humans by writing books or teaching school.

Or rather it is fortunate that they cannot. I would hate to

read a book written by an insect, a mosquito, about MAN. I am sure it would be less flattering than what he says and thinks about his creatures.

HUNTING VICTIM
CHICAGO, Sept. 28.—(AP) Police today sought two teen-age girls who:
Accosted a third girl who quit their "gang."
Grabbed her by the hair.
Punched her.
Threw her down a flight stairs.

She Must Die

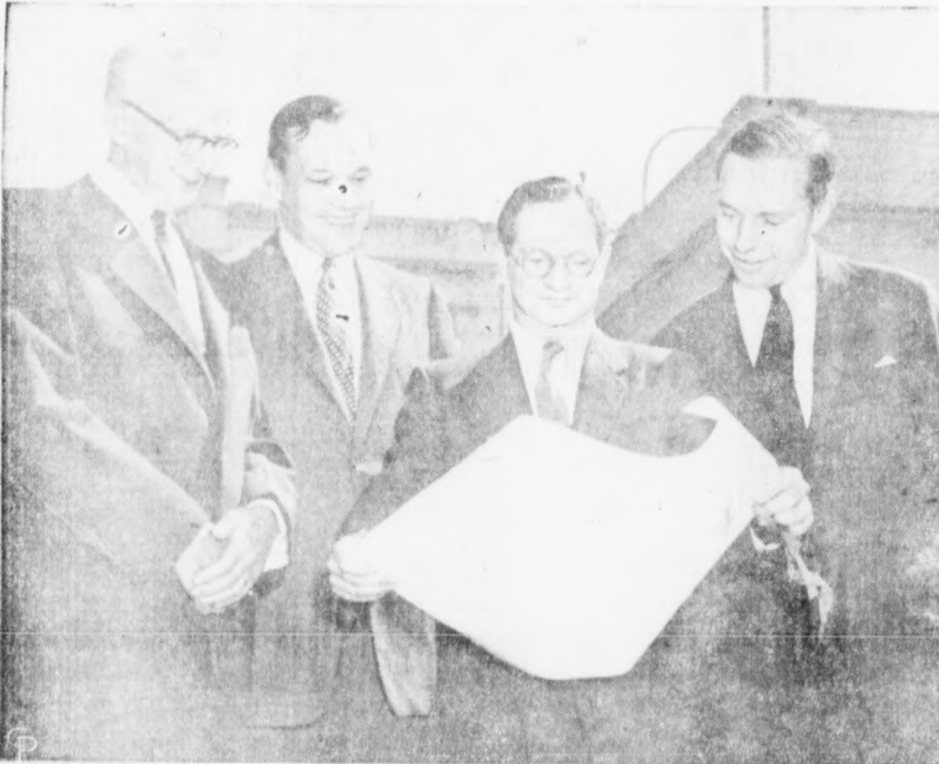

BARBARA GRAHAM sits silently with head bowed in Los Angeles Superior court after she and two companions are found guilty of the murder of Mrs. Mabel Morrison. After five hours and 25 minutes of deliberation, the jury of nine men and three women decreed the trio must pay the supreme penalty. (International)

Challenges Durkin

SPEAKING before the AFL convention in St. Louis, Vice President Richard M. Nixon challenges former Secretary of Labor Martin Durkin's claim that President Eisenhower broke his word about Taft-Hartley law. (International)

UNOFFICIAL OHIO DAY IN NATION'S CAPITAL

OHIO'S GOP BRASS turns out in force as one of her sons is installed as a member of President Eisenhower's White House staff. After Jack Martin (second from right) of Cincinnati is sworn in as administrative assistant to the President at a White House ceremony, Judge George Eyrich of Hamilton county (left), Robert A. Taft, Jr., and Lloyd Taft (right) read Martin's commission. The Tafts are sons of the late Ohio Republican senator. (International)

SCOT CLAN CHIEF PIPED ASHORE IN NEW YORK

THE FIRST WOMAN ever to head her clan, Dame Flora MacLeod, 75, the 28th chief of the MacLeods of Scotland, is serenaded aboard the SS Coronica in New York. Serenading are Patrick J. Kelly (left) and Patrick J. Lavin, of the 9th regiment pipe band of the New York National Guard. Here on a cross-country tour, Dame Flora will invite kinsmen to visit Dunvegan castle, the clan stronghold where MacLeod chiefs have lived in unbroken succession for 700 years. (International Soundphoto)

General Dean Enjoying Long-Awaited Family Reunion

RETURNING FROM Red captivity in Korea with earnest disclaimers of serotism, Maj. Gen. William F. Dean is reunited joyfully with his family as he touches foot in the United States for the first time in seven years. At the reunion at Travis Air Force base (left) are

(from left) the general's daughter, Mrs. Joan Williams; his mother, Mrs. Dean Williams; and his wife Mildred. General and Mrs. Dean wave happily (right) from the doorway of their home in Berkeley, Calif. (International Soundphoto)

Cordalon

It's a favorite everywhere because Cordalon is both beautiful and practical... resists soil, foot and scuff marks. No wonder so many discriminating homemakers choose Cordalon!

Imported wools and special long-wearing carpet rayon have been expertly blended to create this famous ripple-textured carpeting. And Bigelow's Lok-weave process locks every tuft firmly into the backing.

Your favorite color is here in our wide selection. You can't beat Cordalon for value at this price!
